**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements were prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (ASNPO) and include the following significant accounting policies:

**The Organization -**

Glowing Hearts Charity (75332 0092 RR 0001) is a registered charity within the meaning of the Income Tax Act (Canada) and is exempt from income taxes, incorporated under the laws of the Province of Ontario, which exists to disrupt the cycle of poverty by empowering children and youth to realize their full potential. To enable children and youth, vulnerable to poverty in Simcoe County, to access resources and opportunities that support their growth, confidence, and self-determination. The organization is prohibited from distributing any of its surplus to or for the personal benefit of its members.

**Use of estimates -**

The preparation of financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (ASNPO) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. There are no significant items subject to such estimates and assumptions for the current year.

**Financial instruments -**

The Organization initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions.

The Organization subsequently measures all its financial assets and liabilities at amortized cost.

Financial assets and liabilities measured at amortized cost include cash, short-term investments, HST recoverable, accounts payable and accrued expenses.

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of any write-down is recognized in net income. Any previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. Any reversal is recognized in net income.

**Cash and cash equivalents -**

The Organization's policy is to present under cash and cash equivalents; bank balances.

**Contributed goods, services and rental -**

Volunteers and directors contribute their time, goods and work space (rental) to assist the organization in carrying out its services. Due to the difficulty of determining the fair value of the contributed goods, services and rental, those items are not recognized in the financial statements.
