

Income Tax Notice of Assessment

If you have been asked to submit copies of income tax notices of assessment for the adults in your household, and you don't have hard copies to scan/photograph and submit, you can get a copy through your account on the [CRA website](#).

1. Once you have signed into your account, you can access your notice of assessment in **overview** or **tax returns** in the menu on the left, then by clicking on **tax returns**, then click on the **notice of assessment** from the most recent year.

The screenshot shows the CRA My Account interface. On the left, the navigation menu includes 'Overview' and 'Tax returns', both highlighted with red boxes. The main content area shows the 'Overview' page with a 'Tax returns' link also highlighted. On the right, the 'Tax returns' section is displayed, showing a table of tax returns and notices of assessment. The 'Notice of assessment' link for the year 2021 is highlighted with a red box.
